Dear Graduates,

Another year has passed and now you travel into different worlds. I wish you well on your journeys through life and and the experiences in store for you. My parting advice for you is, take each day, each situation as a learning experience, and grow from and with them. With this, you will never fail only suceed.

I also want to take this time to acknowledge some very special people, without these individuals this edition and last years edition would not have been possilbe. Helen Watson-Felt, thank you for your support, whether I was frustrated, angry or just needed someone to talk to, you were there. Bill, my husband, thank you for you encouragement and support in keeping me in school to realize my dreams. Skip, my son, now that you have been a Yearbook editor and have graduated from high school, I only hope you now understand me. Valerie, my daughter, as you take time to decide what you want to be when you grow up, remember- You can be anything you want to be.

Sincerly

TO THE CLASS OF 1988

I AM DELIGHTED TO WRITE THESE BRIEF WORDS OF FAREWELL FOR YOUR YEARBOOK.

OUR DEPARTURE FROM SALEM COINCIDES IN THIS YEAR OF 1988 - YOU AS A GRADUATE HAVING SPENT BETWEEN TWO AND FIVE YEARS AT SALEM AND MYSELF HAVING AN ASSOCIATION WITH SALEM THAT BEGAN IN 1949, ALMOST 40 YEARS AGO.

I WOULD HOPE THAT YOU MIGHT BE LEAVING WITH A FEELING ABOUT SALEM STATE COLLEGE SIMILAR TO MINE. ALTHOUGH IT IS NOT PERFECT, IT DOES PROVIDE A QUALITY EDUCATION AND DOES PREPARE STUDENTS WELL FOR THE PROFESSIONS OF THEIR CHOICE. ADDITIONALLY, IT IS MY BELIEF IT ACCOMPLISHES THIS GOAL BETTER THAN ANY OTHER FOUR-YEAR COLLEGE. GREAT COLLEGES - PUBLIC AND PRIVATE, HAVE THREE ELEMENTS IN COMMON. A TRADITION OR HISTORY; A RECOGNITION OF WHAT IS NEEDED TO MEET THE EDUCATIONAL NEEDS OF TODAY'S STUDENT AND CONCERN FOR THE COLLEGE'S FUTURE.

SALEM STATE COLLEGE MEASURES EXTREMELY WELL AGAINST THESE THREE CRITERIA. IT IS THE SEVENTH OLDEST PUBLIC COLLEGE IN AMERICA, FOUNDED IN A CITY WITH A HISTORY UNRIVALED BY ANY OTHER CITY IN THE UNITED STATES. SALEM HAS ADDED IN THE PAST EIGHT YEARS TWELVE NEW BACHELOR DEGREE PROGRAMS IN SUCH DIVERSE PROFESSIONS AS CARTOGRAPHY, COMPUTER STUDIES, CRIMINAL JUSTICE AND OFFICE ADMINISTRATION IN ORDER THAT STUDENTS GRADUATING FROM SALEM MIGHT BE BETTER PREPARED FOR PROFESSIONAL OPPORTUNITIES. LASTLY, THE GROUND WORK HAS BEEN LAID FOR THE FUTURE SALEM STATE UNIVERSITY WITH THE ORGANIZATION OF THE COLLEGE INTO FIVE SEPARATE SCHOOLS - SCHOOLS OF BUSINESS, EDUCATION, HUMAN SERVICES, LIBERAL ARTS AND NURSING.

AS GRADUATES IN THE CLASS OF 1988 YOU SHOULD TAKE PRIDE IN SALEM STATE COLLEGE'S PROFESSIONAL REPUTATION STATE-WIDE AND NATIONALLY.

I WOULD ALSO HOPE YOU WOULD LEAVE SALEM AS NOT ONLY A STRONG ADVOCATE BUT ONE WHO RETAINS AN ASSOCIATION WITH SALEM BY INVOLVING YOURSELF IN ALUMNI ACTIVITIES.

KINDLY ACCEPT MY VERY BEST WISHES FOR GOOD HEALTH AND CONTINUED PROFESSIONAL SUCCESS.

James T. Amsler

James T. Amsler, President

A Tradition of Excellence

James T. Amsler, President

April, 1988

Dear Graduates and Students:

"Farewell, thou child of my right hand and joy. My sin was too much hope of thee". (Epigram 1616)

Reflect on your past joys, losses and successes. Realize that the losses were relatively small and insignificant when compared to the growth provoked by them. Calculate them accurately and add them to your personal formula for life and living.

Savor the present, the transition from the old to the new, from the known to the unknown, from the comfortable to the anticipated. You can do this with ease and grace if you have accounted for your past with a commitment to accuracy and learning.

Relish the future for it can present new opportunities, places, and people. The foundation of the realized and resolved past will be the base on which you can build your desired future.

I move on, but not without you, for your indelible touch has been significant during my time with you. The touch exchanged between student and educator is in itself a bit of the miraculous. The truest educator is intrinsically a student's student. I am taking much new knowledge with me. I trust that this has been a fair and equitable exchange for that has been my commitment.

Farewell is not an end, but the preamble to commencement. "Farewell, and thy fain would have you as a beginning". (Gibran)

Sincerely,

Winston E. Thompson, Ed.D.

YEAR IN REVIEW

President and Mrs. Reagan greeted Pope Paul II when he arrived in Miami to begin a nine-day tour of the United States.

Year In Review

President and Nancy Reagan wave to well-wishes from the South Portico of the White House. Reagan escorted his wife back to White House from the Bethesda Naval Hospital, where she underwent breast cancer surgery.

President Reagan talks with Soviet leader Mikhail Gorbachev during arrival ceremonies at the White House. The two superpower leaders held a three-day summit meeting in December and signed a nuclear arms control agreement.

The Senate rejected President Reagan's nomination of Robert H. Bork to the Supreme Court by a 58-42 vote, which ended a long contentious debate over a judge alternately portrayed as a brilliant jurist and a dangerous extremest.

Democratic presidential candidate Gary Hart was forced to drop his bid for the presidency after it was reported that he was romantically involved with Donna Rice, a 29-year-old aspiring actress and model from Miami.

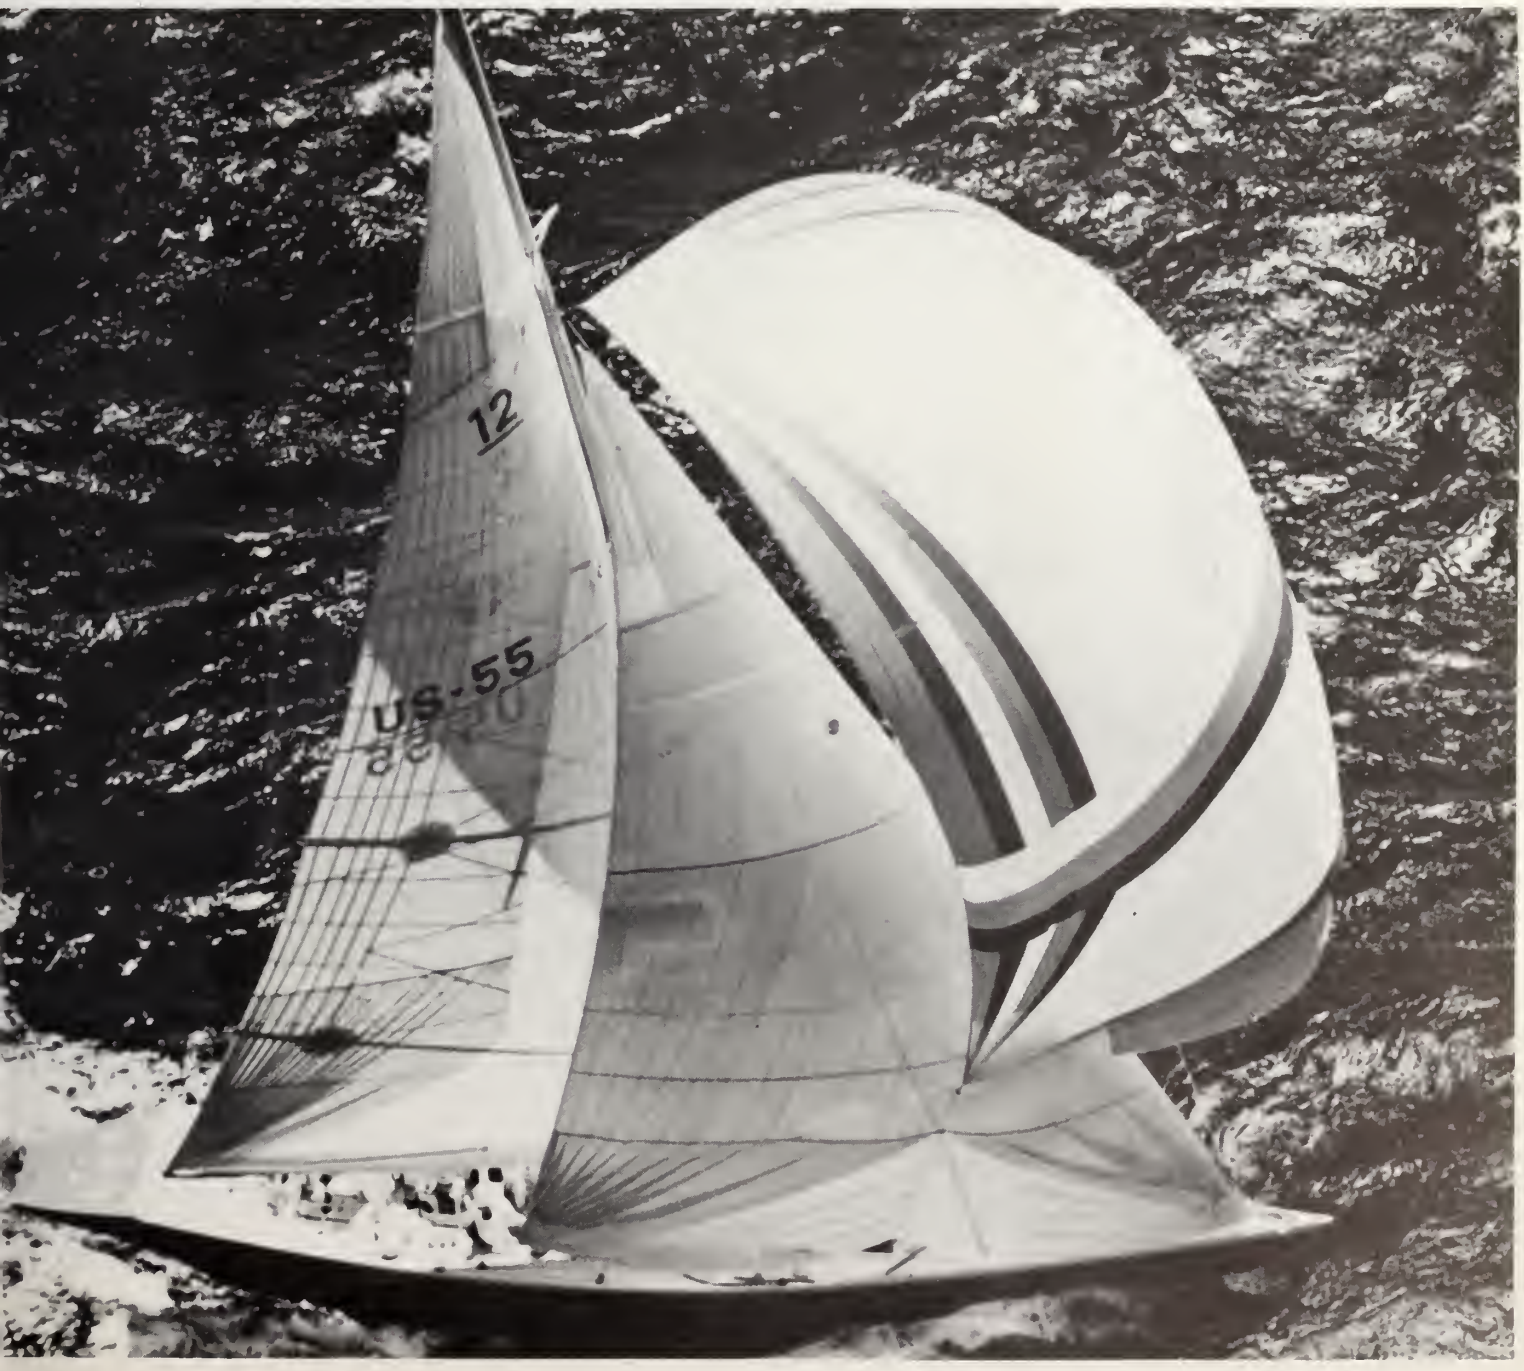
In an effort to keep the Persian Gulf open to navigation, the United States began in July to escort vessels to protect them from Iran. In September the U.S. Navy blew up an Iranian ship that was caught laying mines in the Gulf. Several mines were confiscated.

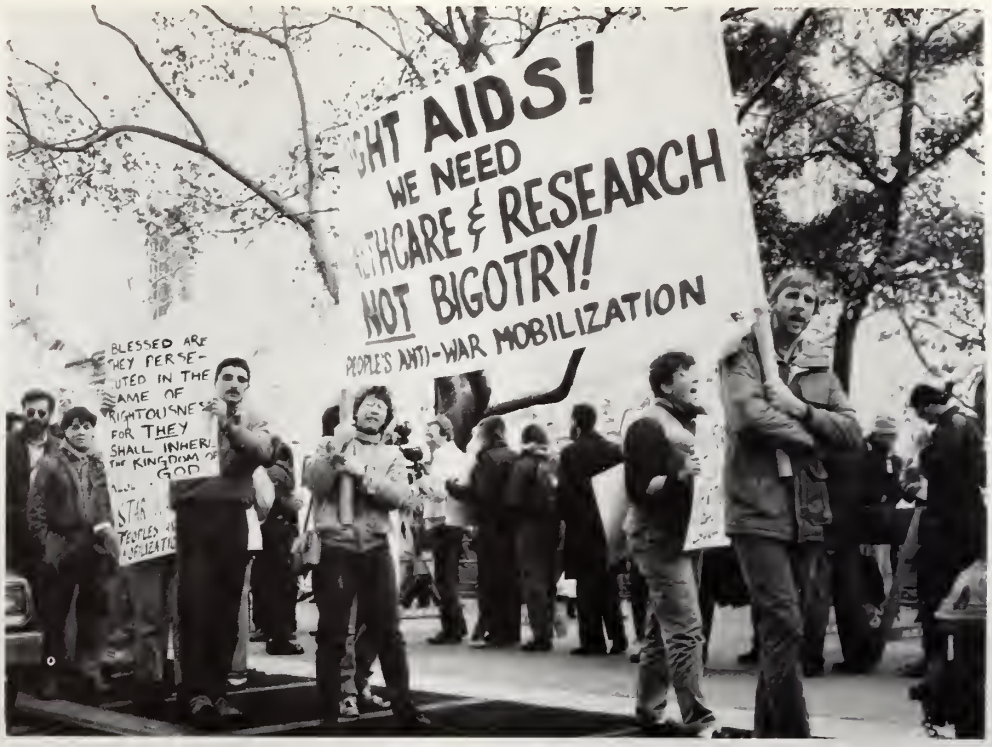
Marine Lt. Col. Oliver L. North was a key official in the plan to finance anti-government rebels in Nicaragua with money from arms sales to Iran. In testimony before the Iran-Contra hearings in Washington, North became somewhat of a celebrity.

The Golden Gate Bridge in San Francisco celebrated its 50th birthday. About 250,000 people jammed onto the bridge for an anniversary walk across the span. Another 500,000 packed the bridge approaches but were denied access because the engineers feared the span could not support the weight.

A barge filled with 3,128 tons of garbage became a national joke and a symbol of the nation's worsening problem with solid waste management. The barge, looking for a place to dump its cargo, was banned by six states and three foreign countries before an incinerator reduced it to ash.

Dennis Conner, the man who lost the America's Cup in 1983, won it back four years later. The Stars & Stripes completed a 4-0 sweep over Australia's Kookaburra III in the race that took place in Australia.





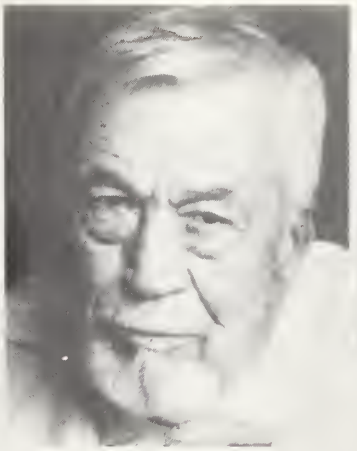
In the six years since Americans first heard of a mysterious immunity-robbing disease from which no one recovers, AIDS has killed nearly 25,000 Americans, millions of dollars have poured into medical research, and President Reagan has proclaimed the plague "Public Health Enemy No. 1."

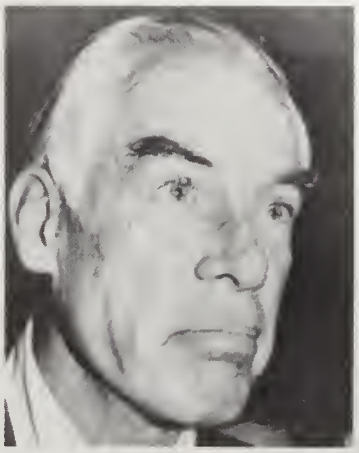
The Dow Jones industrial stock average dropped 508 points, the largest in history, on Monday, October 19. Some called it a "crash", others called it a "meltdown", and others called it "Black Monday." Whatever it was, it stripped $500 billion from the market value of U.S. securities.

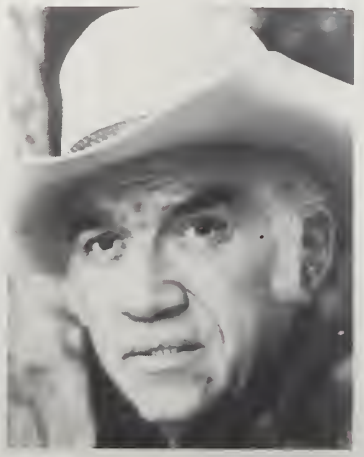
A 24-day strike by the NFL players ended in mid-October when the union capitulated and went to court instead of trying to fight the club owners at the bargaining table.

Television evangelists Jim and Tammy Faye Bakker said farewell to the PTL ministry in March. Jim Bakker resigned after confessing to a sexual encounter with a young woman. Tammy Bakker bowed out of the broadcasts to undergo treatment for drug dependency.

An earthquake that measured 6.1 on the Richter scale hit Southern California in October. It was not a catastrophic quake, but the damage was extensive.





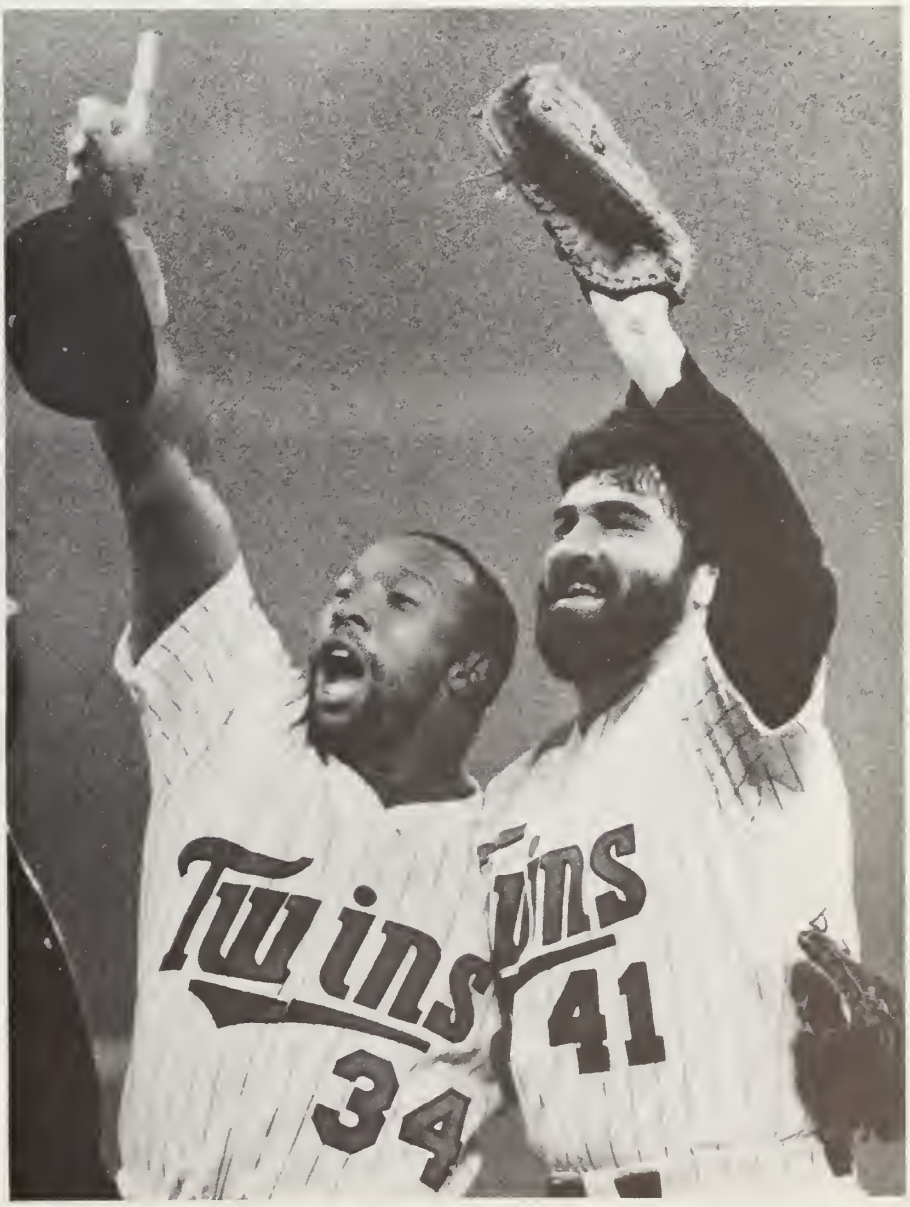


Friends Lost

Fred Astaire, who epitomized Hollywood's elegance for 25 years dancing in top hat and tails with Ginger Rogers and other stars, died of pneumonia, in June, at the age of 88. Liberace, the glittering showman and talented pianist who captivated fans for four decades with an inimitable personal and musical style, died at his home in February, at the age of 67. John Huston, who directed such films as "The Maltese Falcon" and "The Treasure of the Sierra Madre" died in his sleep at the age of 81. Lee Marvin, the gravel-voiced Oscar winner, died in August at the age of 63. He was remembered by colleagues as an actor who really was among the good guys even though he often portrayed the hard-as-nails rogue. Jackie Gleason, the rotund bus driver in the television series "The Honeymooners", died in June at the age of 71. Lorne Greene, who for 14 years played the firm but gentle father to three sons on television's "Bonanza", died in September at the age of 72.

Two of the top entertainers of the year were Whitney Houston and Madonna.

Miss Michigan, Kaye Lani Rafko, a nurse who shook up the talent competition with a Polynesian dance, was crowned Miss America 1988.



Kirby Puckett and Jeff Raerdon of the Minnesota Twins celebrate their World Series victory over the St. Louis Cardinals. The Twins won the seventh and final game of the series, 4-2.
